

Your product. A clear path to launch.

Packaging artwork and one-product Shopify storefronts. Work directly with the operator behind Amadeus Apothecary.

PACKAGING START \$999

One product and one visual direction. Jar label and matching carton layout; three consolidated artwork revision rounds; print-ready artwork handoff; packaging sample coordination.

Payment: \$333 at kickoff, \$333 at design-direction approval, \$333 before final handoff.

LAUNCH TOGETHER from \$2,499

Packaging Start plus a one-product Shopify storefront, product and essential-page copy, six branded launch stills, and a storefront handoff session.

Base payment milestones: \$833 at kickoff, \$833 at design-direction approval, \$833 before final handoff. Final scope and schedule are confirmed in writing.

What to bring

Your product, website if available, approved product facts and assets, package dimensions or supplier specifications, target date, budget and decision-maker.

What is separate

Manufacturing, formulation and testing are excluded. Physical product, printing, samples, shipping, domains, Shopify and other third-party costs are additional. Sourcing, repackaging and fulfillment require separate feasibility review. Product claims and policies require client approval.
